Dear Mr. Brown:

I am writing in response to your recent letter regarding persons who have been disabled by pollution. Though this does not fall under the jurisdiction of my Ministry, I recognize your concerns and have expressed them to the Ministry of Health.

I have been informed that the Ministry of Health is aware of this problem and is acting to address it. At this time I would like to assure you that the Ministry of Transportation is doing all it can to safeguard the public from the dangers of pollutants resulting from the Transportation Industry.

I would like to thank you for bringing this to my attention and I'm sure that your concerns will be considered appropriately by the Ministry of Health. I wish you most success in your presentation to the United Nations.

Sincerely,

Bill Wrye
